ASSISTANT DIRECTOR

Dear Hunter:

An application to participate in the deer hunts on the Hunting Trail for People with Physical Disabilities for the 2023-2024 hunting season is enclosed. Please complete the application and submit it to: **Alabama Department of Conservation and Natural Resources, Wildlife Section, 64 North Union Street, Suite 584, Montgomery, AL 36130.**

If you do not possess a valid Alabama physically disabled resident hunting license, Alabama disabled military veteran's appreciation hunting license or proof of "total" disability as deemed by the Veteran's Administration or Social Security Administration, a physician certification will be required. **A physician certification of disability completed within the past three years will be accepted, but you must provide a copy of it with your application. Please note that a current application must be notarized and submitted each year regardless of physician certification status. Incomplete applications will be returned to the sender.**

Information on how to obtain a valid Alabama hunting license, Alabama physically disabled resident hunting license, or Alabama disabled military veteran's appreciation hunting license can be found online.

Residents:

To participate in one of the hunts, each individual must call in advance to receive a hunting date. When you arrive at the area checking station on your reserved hunting date, you must have the following:

1. *Certificate of Qualification*
2. *Valid Alabama Physically Disabled Resident Hunting License, Alabama Disabled Military Veteran's Appreciation Hunting License, or Alabama Hunting License, unless exempt from licensing requirements.*

If you require assistance to hunt, it will be your responsibility to provide the assistance. **Both you and the assistant must wear the required hunter orange but only the permittee will be allowed to hunt.**

Permits, along with maps, directions to sites and instructions for making hunting reservations will be mailed to each qualified hunter the week of September 25, 2023. **Reservations will begin October 2, 2023**

We appreciate your interest and support of our program. Good luck in the 2023-2024 hunting season.

Sincerely,

W. Keith Gauldin, Chief
Wildlife Section
