

**AMENDMENT TO
GRANT AGREEMENT**

Between Alabama Department of Conservation, Division of Wildlife and Freshwater Fisheries

and

Alabama Forestry Commission

The Grant Agreement between Alabama Department of Conservation, Division of Wildlife and Freshwater Fisheries (hereinafter "Grantee" and the Alabama Forestry Commission (hereinafter "Commission") executed on August 3, 2009 is hereby amended to incorporate the following:

Scope of Work

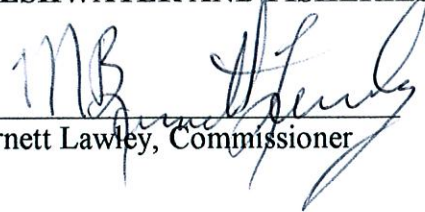

The scope of work is expanded to perform the anticipated schedule of activities within the Fred T. Stimpson Wildlife Management Area. This expansion will result in an increase of the accountable acreage for accomplishments to be reported to the USDA Forest Service. Additionally, the total amount of the award is reduced from \$285,350 to \$235,350.

Period of Performance

The termination date for this agreement is extended to May 31, 2012 in conformance to a modification granted by USDA Forest Service.

This amendment is added to the Grant Agreement this the 11th day of JANUARY, ~~2010~~ 2011. *DLW*
