

# **ATTENTION ANGLERS**

---

**The Alabama Division of Wildlife and Freshwater Fisheries  
Needs Your Help to Conserve the SOUTHERN WALLEYE !**

**If you can provide catch information, or if you catch a walleye and would be willing to donate it alive for hatchery broodstock, please contact the District-IV Fisheries Office IMMEDIATELY and we will dispatch a biologist to transport the fish to our hatchery.**

**District-IV Fisheries Office (334) 358-0035  
1820 Glynwood Drive, Suite C, Prattville**
