

MONTE SANO STATE PARK ADDITIONS

Forever Wild has acquired 4 additions (Nos. 10, 35, 59 and 80) abutting Monte Sano State Park in Madison County. These tracts consist of approximately 400 acres of mountainous upland hardwood forest land on the northern and eastern edges of Huntsville.

Several of these parcels adjoin land owned by the City of Huntsville and the Land Trust of Huntsville and North Alabama, which have been partners in these acquisitions, and provide the land for the Mountain Mist Trail, which winds its way around Monte Sano Mountain. These tracts also safeguard two Federally-listed plant species.

Recreational opportunities include hiking, biking and wildlife observation.
