Additional Information

The authorized uses of Coastal Impact Assistance funds are:

1. Projects and activities for the conservation, protection, or restoration of coastal areas, including wetland;
2. Mitigation of damage to fish, wildlife, or natural resources;
3. Planning assistance and the administrative costs of complying with this section;
4. Implementation of a federally-approved marine, coastal or comprehensive conservation management plan;
5. Mitigation of the impact of Outer Continental Shelf activities through funding of onshore infrastructure projects and public service needs.
