220-2-.155(c) Paddlefish Management Areas and Seasons Established Alabama and Nonresidents. Commercial Paddlefish Helper Permit [\$100.00 +\$1 issuance fee]. This permit is required for the holder to fish and/or assist as a helper with a permitted commercial paddlefish harvester. This permit is required for one helper to assist on the paddlefish harvester's boat and for other helpers who(m) possess, process, and transport paddlefish carcasses and/or roe. There are no limits to how many permitted helpers a harvester can have; however, each helper permit is specific for a particular harvester. That is, a helper can assist multiple harvesters, but they must have separate helper permits for each harvester that they help.
