Section 9-11-430

DEFINITIONS.

Whenever used in this article, the following words and terms shall have the following respective meaning unless the context clearly indicates otherwise:

- (1) MIGRATORY WATERFOWL. Any wild duck, wild goose, brant or coot (poule d'eau).
- (2) DEPARTMENT. State department of conservation and natural resources.
- (3) STAMP. The state migratory waterfowl stamp furnished by the department.

Section 9-11-431

CONSTRUCTION OF ARTICLE; PURPOSE THEREOF.

This article shall be construed in furtherance of the purpose thereof, which is to insure the procurement, development, restoration, maintenance or preservation of wetlands for migratory waterfowl habitat.

Section 9-11-432

STAMP REQUIRED FOR HUNTING MIGRATORY WATERFOWL; FORM; PROCEDURE.

A person may not hunt migratory waterfowl within the State of Alabama or its coastal waters without first procuring a state migratory waterfowl stamp. The stamp shall be validated by the signature of the hunter written across the face of the stamp in ink. The stamp shall be in the possession of the hunter while the hunter is hunting or taking migratory waterfowl. The form of the stamp shall be determined by the department and the department shall furnish the stamps to the judge of probate or issuing officer of the counties or to other authorized license agents as provided in Section 9-11-433 for issuance or sale in the same manner as state hunting licenses are issued or sold.

Section 9-11-433

ISSUANCE OF STAMP; COST; DISPOSITION OF FEES; ISSUING AGENTS; REFUND FOR UNSOLD STAMPS.

- a) A stamp shall be issued to each hunting license applicant by the judge of probate or issuing officer of any county of the state or other authorized license agent as provided herein upon the payment of a fee of ten dollars (\$10). Each stamp shall be valid for the duration of one hunting season as established by the department. Stamps shall be available for sale prior to any waterfowl season, including any special season which may precede the regular season. The stamp fee provided in this subsection shall be subject to periodic adjustments by the Department of Conservation and Natural Resources based on increases in the Consumer Price Index in the same manner as other fishing and hunting licenses and fees are adjusted pursuant to Section 9-11-68.
- b) The judge of probate, or issuing officer, or other authorized license agent as provided herein shall be allowed a fee of one dollar (\$1) for each license issued, which issuing fee shall be in addition to the cost of the stamp. In counties where the judge of probate or issuing officer is on the fee system, the issuing fee shall be retained by the judge of probate or issuing officer, and in counties where the judge of probate or issuing officer is on a salary basis, the fee shall be paid into the county treasury to the credit of the appropriate fund.
- c) Other license agents as authorized by the Department of Conservation and Natural Resources may issue migratory waterfowl stamps, provided the other authorized license agents prepurchase sheets of stamps for resale at face value plus the issuance fee provided herein. An agent shall place an initial order for one or more sheets of 10 stamps each for the license year. At the end of the license period, the agent may return unsold stamps for a refund.

Section 9-11-434**REVENUE USED IN PRESERVATION OF WETLANDS;
CONTRACTS WITH NON-PROFIT ORGANIZATIONS FOR
PROJECT OUTSIDE UNITED STATES.**

The revenue derived from the sale of the stamp provided for herein shall be remitted to the department on the first day of each month by the judge of probate or issuing officer and shall be covered into the state treasury to the credit of the game and fish fund and shall be used for projects approved by the department for the procurement, development, restoration, maintenance or preservation of wetlands, for waterfowl habitat, and the development or improvement of controlled public waterfowl hunting areas, except that part which is specified by the department for use in paying administrative expenses. No part of revenues derived from the sale of this stamp shall be used to pay administrative expenses not directly related to waterfowl management and no part of revenues shall be used to pay enforcement expenses.

No part of the revenues derived from the sale of this stamp shall be used to replace revenues and allocations presently being made by the department for management of waterfowl refuges and public waterfowl hunting areas.

No part of the revenues derived from the sale of this stamp shall be used to maintain, procure or restore habitat for other wild game except where their occurrence is coexistent with migratory waterfowl. The department may enter into contracts with non-profit organizations for the use of one-half of such funds outside the United States if the department finds that such contracts are necessary for carrying out the purposes of this article.

Section 9-11-435**REQUIREMENTS FOR APPROVAL OF OUTSIDE UNITED
STATES PROJECTS.**

Before approving and allocating funds for a proposed project to be undertaken outside the United States, the department shall obtain evidence that the project is acceptable to the government agency having jurisdiction over the lands and waters affected by the project.
