

ALABAMA WILDLIFE AND FRESHWATER FISHERIES DIVISION
LAW ENFORCEMENT SECTION

NIGHT VISION /THERMAL

OPEN RANGE NIGHTS

Hosted by the Law Enforcement Section of the Alabama Wildlife and Freshwater Fisheries Division, this event is an opportunity to bring out your night vision/thermal sight-equipped firearms for a night of shooting.

Division firearms instructors will staff the range to ensure the event is safe for all who attend. The event is free of charge and only requires a Wildlife Heritage License to access the range. The Wildlife Heritage license allows you to utilize any of Alabama's Public Shooting Ranges for the entire license year.
