AUGUST 26 FLOOD MAPPING WORKSHOP

"Prepared to Assist Clients and Communities: Learning About Flood Maps and Insurance"

Led by the Weeks Bay Reserve, the Alabama Department of Economic and Community Affairs, and the Community Resiliency Initiative.

Participants will be trained on where to find flood maps, how to read a flood map, and how these maps are linked to insurance and the likelihood of flooding.

2 hours of Continuing Education will be offered for certified planners through AICP.

9 - 11 AM: Workshop

11 AM - 12:30PM: Optional Lunch with Panel Discussion

No additional cost to you! Panelists will include insurance agent Frances Holk-Jones of State Farm, EMA Director Zack Hood, and Meteorologist Alan Sealls.
