FEMA's Risk Rating 2.0 Explained

Risk Rating 2.0 (RR2.0) is being implemented throughout the US and will be used to establish flood risk for properties enrolled in the National Flood Insurance Program. This virtual meeting will help you gain a better understanding of the changes in the RR 2.0, how it will affect your floodplain management program, and find answers to your questions! **12/8/21 10:00 to 12:00 (CST)**

Mr. Del Schwalls, PE, CFM, and ASFPM Region 4 Director will provide context and an overview of the changes to RR 2.0 and then open the meeting up for questions. Take advantage of this opportunity to get your questions answered!
