**PERMITTED FIREARMS, BOW AND ARROW, & FALCONRY:**

Deer: *Stalk Hunts:* As defined in Alabama Regulations archery equipment in 220-2-.03.  
Remainder of Seasons: Legal arms and ammunition as defined in 220-2-.02 and archery equipment in 220-2-.03.  
Trapping: As Defined in 220-2-.30(1), except no .22 magnums are allowed.  
Falconry will be legal on all AREA scheduled hunts for legally permitted falcons; following the dates those seasons are open on each AREA.

**IT SHALL BE UNLAWFUL:**

- To hunt, trap, use dogs, possess firearms, ammunition, traps or bow and arrow, except bow fishing equipment without a valid permit. A permit is valid only during scheduled management or refuge area seasons during legal hunting hours and only with the required licenses and stamps and weapons and ammunition permitted for hunting the wildlife listed on permit. See (21) for limited exception for certain lawfully licensed handguns possessed for personal protection.
  - To use dogs for hunting, training or any purpose from the end of small game season to the opening of the following fall gun season.
  - To use dogs for stalk hunting of deer or for turkey hunting. (Leashed dogs may be used for the expressed purpose of retrieving wounded deer, limited to two dogs per tracking event).
  - For any person under 16 years of age to hunt on the management area unless accompanied by an adult who is either 21 years old or older or the parent and who possesses all licenses to hunt WMA.
  - To have in possession any fully automatic rifle or firearms, ammunition or bow and arrow except as described above in Permitted Firearms and Bow and Arrow section or on a designated shooting range.
  - For any person to carry firearms in or on a vehicle, any of the following, any firearm (including pistols) with ammunition in the magazine, breech or clip attached to firearms or black powder weapons with primer, cap or flash powder in place, or cocked crossbows. See (21) for limited exception for certain lawfully licensed handguns possessed for personal protection.
  - To camp on Swan Creek WMA or Mallard-Fox Creek WMA. No warming fires shall be permitted on the areas.
  - To kill or willfully molest any species of wildlife except those designated for hunting.
  - To discharge fireworks at any time.
  - To discharge firearms for target practice, except on the designated target range.
  - To hunt or discharge firearms within 150 yards of any camping area, dwelling, dam or timber operation, within 100 yards of any paved public road or highway, within a posted safety zone, or on Sunday within one-half mile of any church.
  - To possess open alcoholic beverages.**
  - For any person except authorized personnel to operate any motor driven vehicle behind, under or around any locked gate, barricaded road or sign which prohibits vehicular traffic.
  - For any unauthorized person to possess and/or operate ANY UNLICENSED MOTOR DRIVEN VEHICLE on any AREA, except when utilized for the expressed purpose of retrieving harvested deer, traveling to or from a hunting location, or any other hunting related activity. ALL VEHICLES, whether licensed or unlicensed must remain on regularly used roads open for public use by four wheel vehicle traffic.
  - To ride or possess horses except on roads or trails open to four-wheel motorized vehicles or on roads, trails, or in areas designated as open to horses. Riding or possession of horses shall be restricted to holders of a current valid Wildlife Management Area license and a valid wildlife management area permit.**
  - For any person except authorized personnel to block or otherwise stop traffic on any road or at any gate by parking a vehicle in such a way that passage around the vehicle is impossible.
  - To deposit, distribute or scatter grain, salt, litter, or any other materials on management area.
  - To damage or remove any artifacts, trees, crops or other plants, dirt, gravel or sod from management area without legal authorization.
  - To hunt from an elevated stand or platform without first attaching themselves to the tree or platform with a full body safety harness capable of supporting their weight.
  - For any person to release any animal, bird, fish, or other wildlife on any WMA, Refuge or Public Lands without first obtaining permission from the Wildlife and Freshwater Fisheries Division.
  - Nothing in this regulation prohibits or requires a wildlife management area permit for the possession of handguns by lawfully licensed persons for personal protection, provided the handguns are not used to hunt or take or to attempt to take wildlife (including persons while bow hunting) except as otherwise provided by this regulation.
  - For waterfowl hunters to possess more than 25 shotgun shells (1 box) per person (in possession or in a boat) on Swan Creek WMA. This regulation does not limit the number of shells one could possess in a vehicle or during special youth waterfowl hunts.**
- The following regulations will apply only to the dewatering slough within the Swan Creek Wildlife Management Area:**
- To leave their vehicle parked at the approved launching sites; hunters must use the designated parking areas. However, approved handicapped vehicles may be parked at the designated handicap parking location at the main launch only.
  - Anyone launching a boat, preparing to hunt waterfowl within the dewatering unit may not depart any launch site before 2:00 A.M daily. With the exception above, all other hunters preparing to hunt waterfowl within the dewatering unit shall not be allowed in the water before 2:00 A.M daily. All boats and boat blinds used in the harvest of waterfowl within the dewatering area shall be floated to an approved launching site for overnight mooring or removed from the dewatering unit no later than 7:00 PM daily.
  - To take fish for commercial purposes and/or to use commercial fishing gear within the dewatering unit at any time.
  - To use airboats on the dewatering sloughs.
  - It shall be illegal to install permanent waterfowl blinds (those using building materials and/or remaining in position overnight anywhere on the Swan Creek or Mallard-Fox Creek WMA except on the Swan Creek WMA dewatering unit where specified. All such blinds to be placed in the dewatering area must be registered with Wildlife and Freshwater Fisheries Division officials in accordance with the Regulations and Permanent Blind Drawing Qualification Procedures.
  - It shall be unlawful for any person to hunt the Swan Creek Harris-Sweetwater dewatering unit on Tuesdays, Wednesdays, and Thursdays during regular waterfowl season except for the last 14 days of the season. All activity in the dewatering unit is prohibited during this time. During splits between the youth season and regular season gates to West Dike road and the Main Launch road will be locked. All activity in the dewatering unit during this time is prohibited.**
  - Users should refer to WMA Regulation 220-2-.55 for the complete list of WMA specific regulations.

**NOTE:** Hunters must contact the Swan Creek Management Area District Office for regulations governing the construction of permanent blinds on the dewatering slough.

**BE COURTEOUS.** AS AN ETHICAL HUNTER, IT IS YOUR RESPONSIBILITY DURING THE WATERFOWL SEASON FOR ALL HUNTING PARTIES IN THE DEWATERING AREA TO MAINTAIN A DISTANCE OF NOT LESS THAN 150 YARDS BETWEEN ANY OTHER HUNTING GROUP.

**WMA is provided by the Wildlife Section of the Division of Wildlife and Freshwater Fisheries, Alabama Department of Conservation and Natural Resources, in cooperation with the Tennessee Valley Authority.**
