Boggy Point Boat Ramp Reopens Monday, April 29

The Alabama Department of Conservation and Natural Resources, Marine Resources Division (MRD) will reopen the Boggy Point Boat Ramp on Monday, April 29, 2019, at 8 a.m. The boat ramp is located at the end of Marina Road in Orange Beach, Ala.

MRD temporarily closed the ramp for renovations on March 18, 2019. The completed renovations include the replacement of all piers with new piles, new decking with composite nonslip material and the repair of paver depressions. The parking spaces were also restriped.

“Boating access is important to everyone here on the Gulf Coast,” said Scott Bannon, MRD Director. “We are excited that the contractor completed this project quickly and we can reopen Boggy Point to the public ahead of schedule.”
